To Whom It May Concern,

For 25 consecutive years The Starlite Chorale has performed a concert for the Rotary Club of Asbury Park as part of our fund raising effort for scholarships for local high school students. This has become such a successful event that the residents and visitors to the shore towns in and around Ocean Grove, NJ eagerly await their return every year.

Under the professional direction of Rev. Dr. Tony Godlefski, The Starlite Chorale is a vocal ensemble of professional-level singers and instrumentalists who perform beloved show tunes and classic American standards to arrangements that are fresh and new. Their enthusiasm is so infectious that the audience is enthralled for the entire show. On occasion they have treated us to a Christmas performance with a medieval theme in full costume and authentic mood.

The Rotary Club is an international community service organization of business and profession people who strive to make the world a better place. Because of our partnership with The Starlite Chorale we have raised and donated over \$100,000 during our association. I highly recommend them for an entertaining and memorable afternoon or evening.

Yours truly,

Gary Siciliano
